Systematically cleaning and disinfecting each vehicle and its touch points will help mitigate the transmission of COVID-19. By employing regular cleaning and disinfecting practices, we can effectively minimize the transmission of COVID-19 and other diseases. Cosmetic Car Care, Inc. will act in accordance with the CDC along with state and local guidelines and applicable policies and procedures for disinfecting vehicles. Some things are out of our control such as asymptomatic transmission, and public refusal to mask and social distance. As a result, you are agreeing that Cosmetic Car Care, Inc. will not be held liable for any claims, causes of action, costs, or expenses that may arise from the events that we participate in. Everyone must understand and accept the risks involved. Cosmetic Car Care, Inc. cannot be held responsible for any person contracting the Covid-19 virus or other diseases.
